StanCOG Response to COVID-19 Situation

In accordance with the COVID-19 guidance of state and local public health officials, to mitigate against the spread of COVID-19, and to protect the health of our staff and the public, the StanCOG offices are closed to the public with staff working remotely and fully operational.

Policy Board meetings and advisory committee meetings are held virtually with members of the public able to participate electronically and offer public comment. When essential StanCOG business makes it necessary for essential staff and/or board members to be in the office, the state guidance for office workspaces is adhered to regarding social distancing and the requirement of face coverings.

StanCOG staff is reachable via e-mail and telephone, and available for meetings via teleconference. Staff contact information is available on the StanCOG website [here](#). If you have an upcoming meeting with StanCOG staff, please note that it will be held via teleconference. Your flexibility and understanding are appreciated during this time.

Public Hearings: Public Hearings scheduled in April and August were available via teleconference for the participation of the public. For details, read more [here](#).

Committee Meetings: Standing committee meetings in April, June, August and September were held via teleconference. Details on how to join in each teleconference meeting were available on the StanCOG website [here](#), and to those signed up on the meeting agenda email list. To sign up for the meeting agenda email list, [click here](#). Standing committee meetings will next be held on October 6th and 7th.

Policy Board Meeting: The April, June, August and September Policy Board meetings were held via webinar. Details on how to participate were available on the StanCOG website [here](#), and to those signed up on the meeting agenda email list. To sign up for the Policy Board meeting agenda email list, [click here](#). The next Policy Board meeting will be held on October 21st.

StanCOG will continue to follow the COVID-19 mitigation guidance of State and local public health authorities for the protection of health to StanCOG staff, our partner agencies and the public.
