AGENDA

1. CALL TO ORDER

2. PLEDGE OF ALLEGIANCE

3. ROLL CALL

4. PUBLIC COMMENTS

These matters may be presented only by interested persons in the audience. Discussion is limited to five minutes or at the discretion of the Chair.
5. CONSENT CALENDAR
   A. Motion to Approve Bicycle/Pedestrian Advisory Committee Minutes of 7/10/12

6. PRESENTATIONS
   A. Update/Community Outreach Meeting for the Non-Motorized Transportation Master Plan
   B. Rideshare Week 2012 in Stanislaus County, October 1st – October 5th

7. DISCUSSION/ACTION ITEMS
   A. Motion to Nominate FY 2012/13 Bicycle/Pedestrian Advisory Committee Chair and Vice-Chair
   B. Motion to Approve Bike Survey Flyer Discussion
   C. Discussion - Share the Road Signs
   D. Discussion - Pedestrian Survey

8. INFORMATION ITEMS
   The following items are for information only.
   A. StanCOG Quarterly E-Newsletter
   B. Meeting Schedule for Calendar Year 2013

9. MEMBER’S REPORT

10. ADJOURNMENT

Next Regularly Scheduled BPAC Meeting:
November 6, 2012 (Tuesday) @ 5:30pm
StanCOG Board Room
1111 I Street, Suite 308
Modesto, CA  95354
BICYCLE/PEDESTRIAN ADVISORY COMMITTEE
StanCOG Board Room
1111 I Street, Suite 308
Modesto, CA

Minutes of July 10, 2012 (Tuesday)
5:30 pm

MEMBERS PRESENT: Steve Bonrepos, R J Corwin, Lennox Harris, Greg Jacquay, Leisser Mazariegos, Jeff Montgomery, Chuck Shoup,

ALSO PRESENT: Charles Turner (StanCOG), Charles Vasquez, (Stan County DPW), Scott Calkins, Krista Smith, (Member of the public)

1. CALL TO ORDER
Vice-Chair Steve Bonrepos called the meeting to order at approximately 5:30 pm.

2. PLEDGE OF ALLEGIANCE
Vice-Chair Steve Bonrepos led the Pledge of Allegiance.

3. ROLL CALL
A quorum was present.

4. PUBLIC COMMENTS
These matters may be presented only by interested persons in the audience. Discussion is limited to five minutes or at the discretion of the chair.

Krista Smith from the River Access Working Group of Oakdale discussed plans to build a trail along the Stanislaus River. She was advised that the City of Riverbank was in the process of doing the same thing, in Riverbank. She was referred to J.D. Hightower (Riverbank) to coordinate their efforts.

Charles Vasquez provided contact information for the California Conservation and California Association of Local Conservation Corps. These organizations may be able to provide additional resources to improve bicycle and pedestrian projects.

5. CONSENT CALENDAR

A. Approval of Minutes of May 1, 2012
Minutes from the May 1, 2012 meeting were presented, and were accepted -- m/s/p, unanimous.

B. Approval of Agenda
The agenda was approved.
6. DISCUSSION/ACTION ITEMS

A. Adoption of Bicycle Survey Report from May 1, 2012 meeting.
The Bicycle Survey Report from the May 1, 2012 meeting was accepted -- m/s/p, unanimous.

7. PRESENTATIONS - None

8. INFORMATION ITEMS
   The following items are for information only.

A. 2012 Blueprint Awards Call for Nominations
   It was announced that the 2012 Blueprint Awards packets were available and had been sent to each jurisdiction. Final filing date for consideration was to be August 24, 2012.

9. MEMBER’S REPORT
   The Bicycle Survey breakdown for each jurisdiction was available. Members were advised they could contact Steve Bonrepos to receive the breakdown for their jurisdiction.

   Charles Turner advised that the revised flyers for the Bicycle Survey were to be available for distribution at the Stanislaus County Bicycle Club during the Fruit Yard Century event on September 8, 2012 and the Stanislaus County Bicycle Club Ride and Run event on September 15, 2012.

   Chuck Shoup discussed the Modesto Bicycle Workshop and the bike lanes on Coffee Road and Sylvan Avenue. It was a successful effort to promote and educate bicyclists in Modesto.

10. ADJOURMENT
    Vice-Chair Steve Bonrepos adjourned the meeting at approximately 6:30 pm.

Next Regularly Scheduled BPAC Meeting:
September 4, 2012 (Tuesday) @ 5:30 pm

SUBJECT: Rideshare Week 2012 in Stanislaus County, October 1st - October 5th, 2012

Background

Each year Commute Connection, the Transportation Demand Management (TDM) program of the Stanislaus Council of Governments (StanCOG), promotes Rideshare Week in Stanislaus County through various employee-oriented events that are held at participating employer locations. The events held by employers participating in the rideshare program are designed to encourage employees to make a change in their normal commute by making it meaningful and fun to use other means of travel. According to the San Joaquin Valley Air Pollution Control District, over 50% of the air pollution is derived from motor vehicles. Already in its twenty-sixth year, Rideshare Week is a statewide event designed to raise awareness about using sustainable transportation alternatives to single occupancy vehicle trips, such as carpooling, vanpooling or riding transit, in an effort to improve air quality and reduce congestion.

Discussion

This year, Rideshare Week will take place October 1st through October 5th. Last year, the first successful Rideshare Week Corporate Challenge was introduced, spurring interest from various Stanislaus County employers by attracting 102 participants. Commuters not associated with the corporate challenge were also able to participate, adding another 106 participants for a total of 208 participants in the event. This year, Commute Connection expects to increase interest and once again encourages commuters throughout the region to take the challenge and persuade their colleagues, co-workers, friends, family, and neighbors to make a difference as well. Below is a summary of this year’s program:

- Individual Challenge raffle for a chance to win an iPad for any commuter pledging to carpool, vanpool or ride transit at least one day during rideshare week.
- Corporate Challenge raffle for employers with at least 10 employees to compete against other companies for a chance to win five (5) $100 gift certificates to be raffled off amongst company participants that pledge to carpool, vanpool or ride transit at least one day during rideshare week.
- On-site employer events to promote the individual and corporate challenge. For any commuter pledging for the individual or corporate challenge, a free back pack and other free giveaways will provided at the worksite.
Outreach Efforts for Rideshare Week 2012

Participation in the Rideshare Week campaign by StanCOG, StanCOG's partner agencies, local jurisdictions, and employers in the Stanislaus region is highly encouraged. The promotion of this week provides a great opportunity for employers to raise awareness about the importance of sharing the ride in California. Ridesharing helps employees get to work on time, increases job performance, retention and morale, and contributes to clean air, which further helps with the Stanislaus region's compliance with the San Joaquin Valley Air Pollution Control District Rule 9410. Commute Connection is equipped to assist employers coordinate on-site events by providing resources such as staffing for site exhibits, posters, flyers, newsletter articles and promotional items. A Rideshare Week website page with online registration and other resources will be available in mid-September at www.commuteconnection.com.

If you would like to schedule a Rideshare Week event for your organization, or would like more information about the activities scheduled this year, please contact Mike Costa at 209.525.4644 / mcosta@stancog.org, or Yvette Davis at 209.235.1092 / davis@sjcog.org, or visit Commute Connection's website at www.commuteconnection.com.

SUBJECT: Nomination of FY 2012/13 Bicycle Pedestrian Advisory Committee Chair and Vice Chair

---

**Recommendation**

**By Motion:**

Nominate a Fiscal Year 2012/13 Chair and Vice-Chair of the Bicycle Pedestrian Advisory Committee (BPAC).

**Background**

The Bicycle Pedestrian Advisory Committee each year selects a Chair and a Vice-Chair. The current Chair is Lennox Harris and the Vice-Chair is Stephen Bonrepos.

**Discussion**

StanCOG BPAC Bylaws, Article VII, Section 1 states, “The BPAC shall elect from among its membership a Chairperson and a Vice-Chairperson. The term of office shall be one year.” For fiscal year 2012/13 the term of office will run through June 2013.

cterner@stancog.org
Who is StanCOG?

StanCOG is the Stanislaus Region's Transportation Planning Agency. It is an association of city and county governments created to address regional transportation issues related to:

- Highways
- Rail
- Public Transit
- Bicycles
- Air
- Pedestrians
- Streets
- Roads

StanCOG was established in 1971 through a Joint Powers Agreement (JPA) between our Member Agencies:

- City of Ceres
- City of Patterson
- City of Hughson
- City of Riverbank
- City of Modesto
- City of Turlock
- City of Newman
- City of Waterford
- City of Oakdale
- Stanislaus County

Under Federal and State law, StanCOG is designated as a Metropolitan Planning Organization (MPO), a Regional Transportation Planning Agency (RTPA), and a Council of Governments (COG).

StanCOG is responsible for developing and updating a variety of transportation plans and for allocating the Federal and State funds to implement them.

One of the primary responsibilities of StanCOG is to create and implement the Regional Transportation Plan (RTP). The RTP is a 25-year Master Plan that serves a blueprint for all transportation improvement projects in the Region.

Public Involvement

StanCOG encourages and promotes the public's involvement in the transportation planning process.

Public Meetings are held regularly for the StanCOG Policy Board and its Advisory Committees such as the BPAC.

BPAC meetings are typically held the first Tuesday of every other month at 5:30 pm in the StanCOG Board Room, 1111 I Street, 3rd Floor, in downtown Modesto. Meetings are open to the public.

Individuals interested in serving on the BPAC are encouraged to complete an application available at: http://www.stancog.org/bpac-committee.shtm or by calling 209-525-4600.

Contact the StanCOG office at 209-525-4600 or visit www.stancog.org for a complete list of meeting schedules and agendas.
Bicycle Pedestrian Advisory Committee (BPAC)

The Stanislaus Council of Governments (StanCOG) has a Bicycle/Pedestrian Advisory Committee (BPAC) that is comprised of members of the public who are bicycle/pedestrian enthusiasts.

The BPAC is a standing committee that advises the StanCOG Policy Board on bicycle and pedestrian-related issues, and provides valuable input on the Non-Motorized Transportation Plan.

It reviews transportation projects and recommends planning efforts that enhance non-motorized transportation opportunities in the Stanislaus region.

SUBJECT: StanCOG Quarterly E-Newsletter

Discussion

Attached is a copy of the latest edition of the StanCOG quarterly e-newsletter entitled, *On the Move*. It features regional news and events from the second quarter of the year.

The purpose of *On the Move* is to highlight the activities of StanCOG and its 10 Member Agencies in a concise and focused format, and encourage public awareness and involvement in the issues of the region. Each issue features items of regional significance, and puts the spotlight on Member Agency projects, as well as providing information on upcoming public meetings, events and activities.

The e-newsletter is distributed via e-mail to individuals identified as StanCOG stakeholders. It is also posted on the StanCOG website. Additionally, a hard copy is sent to the 13 public libraries in the Stanislaus region to be posted where the public has access to it.

*On the Move* is a tool that is used to enhance public awareness, involvement and participation in the transportation planning process in the Stanislaus region.

cmalekos@stancog.org
Policy Board Selects New Chair and Vice-Chair

The StanCOG Policy Board rotated officers in July with new chair Charlie Goeken, Mayor of Waterford, taking over the gavel. Luis Molina, Mayor of Patterson, assumed the vice-chairmanship. The Policy Board’s chair and vice-chair positions alternate each year among the StanCOG member agencies.

Stanislaus County Supervisor Bill O’Brien is the outgoing chair; he also served as vice-chair in the prior year. In these roles, O’Brien participated in the annual Valley Voice trips to Washington, D.C., and Sacramento, and represented StanCOG on the San Joaquin Valley Regional Policy Council, among a variety of other duties.

Our thanks to outgoing chair Bill O’Brien, and congratulations to new chair Charlie Goeken and vice-chair Luis Molina!

StanCOG Executive Director Accepts New Position

Vince Harris resigned in May from his position as Executive Director of the Stanislaus Council of Governments (StanCOG), a position he held since October 2005.

During his time as Executive Director, Harris worked collaboratively with the Stanislaus regions’ nine cities and the county to support significant transportation improvements to the region. Under Harris’ leadership, millions of transportation dollars financed projects such as the Whitmore Interchange Reconstruction Project, the Kiernan Avenue (State Route 219) Widening Project, and hundreds of locally developed and delivered transportation projects. He left StanCOG to accept a new position as Director of Capital Programs and Construction for the San Francisco Municipal Transportation Agency.

As Chair Bill O’Brien presented Harris with a plaque of appreciation, he said, “on behalf of the Policy Board, we thank Vince for his 6 ½ years of dedicated service to the Stanislaus region and wish him the best in his future endeavors.” “It has been a privilege and an honor to serve,” stated Harris as he offered his thanks to the Board, his staff, and to member and partner agencies.

StanCOG Names Interim Executive Director

Carlos Yamzon was appointed by the Policy Board to serve as Interim Executive Director effective June 1st. Yamzon has been a Senior Regional Planner at StanCOG for the past five years and prior to that was a 27-year employee of the California Department of Transportation (Caltrans). “I look forward to working with the Policy Board and Staff on issues of importance to our region” said Yamzon of his new assignment.
Smart Valley Places Conference

On May 31st, civic and transportation leaders from throughout the San Joaquin Valley met in Modesto for a conference on developing “Smart Valley Places.” Vince Harris opened the conference by welcoming elected officials, business leaders, planners and jurisdictional staff to the Stanislaus region. Other speakers included Modesto Mayor Garrad Marsh, Darius Assemi, President of Granville Homes, and author and planner Bill Fulton.

The day-long conference focused on topics related to how communities can promote more livable, walkable, attractive, and sustainable development in the Valley. Discussions involved transportation alternatives, farmland preservation, redevelopment planning, and improved health for valley residents. The conference was a part of the Blueprint process, a valley wide effort to work toward cleaner air, smarter growth and improved housing plans.

CTC Town Hall Meeting
Held in San Joaquin Valley

Vince Harris addressed the California Transportation Commission (CTC) at its April Town Hall Meeting in Visalia. Representing all eight San Joaquin Valley Regional Transportation Planning Agencies, Harris provided an overview of the Valley’s recent projects and accomplishments. It was the first time the CTC met in Tulare County as it typically conducts its full meetings in Sacramento and other larger metropolitan areas of California.

The CTC is responsible for the programming and allocating of funds for the construction of highway, passenger rail and transit improvements throughout California. The CTC advises and assists the Secretary of Business, Transportation and Housing Agency and the Legislature in formulating and evaluating state policies and plans for California’s transportation programs. The CTC is also an active participant in the initiation and development of State and Federal legislation that seeks to secure financial stability for the State’s transportation needs.

$37.1 Million Allocated to State Route 99/ Kiernan Avenue Interchange Project

Over $37 million was allocated to the Stanislaus Region in June by the California Transportation Commission. Stanislaus County will receive the funds to reconstruct the State Route 99/Kiernan Avenue (State Route 219) Interchange and to construct auxiliary lanes.

Funding for the project is provided by Proposition 1B which was passed by the electorate in 2006 to fund transportation projects that relieve congestion, improve the movement of goods, improve air quality, and enhance the safety and security of the transportation system. Construction is expected to begin in early Spring 2013.

Grand Opening of Bus Maintenance Facility

Congratulations to the City of Modesto for the completion of their new bus maintenance facility located at 1609 Eighth Street in Modesto. It provides parking and maintenance bays for the city’s fleet of MAX buses, and replaces their former 92-year-old facility.

A grand opening event was held on July 10th to celebrate the major fete. Of particular note was the attendance of Federal Transit Administration (FTA) Regional Administrator Leslie Rogers. Federal and state funding sources provided about 90 percent of the $17.8 million cost of the much-needed facility.
Around the Region

Unmet Needs

StanCOG recently conducted its annual unmet transit needs assessment as required by the Transportation Development Act, to determine if there were any unmet transit needs in the region. The process began in November when an initial public hearing was held, and continued into March when a second public hearing was held in Patterson to provide a closer, more accessible location for residents on the west side of Stanislaus County. Luis Molina, incoming StanCOG Policy Board Vice-Chair and Mayor of Patterson, participated in the hearing and expressed his thanks and appreciation to StanCOG for reaching out to the west side.

In April, the Unmet Transit Needs Identification and Analysis Report and Findings were provided to the Policy Board with the determination that there were no unmet transit needs that were reasonable to meet per the adopted StanCOG definition. The process of assessing the transit needs of residents in the Stanislaus region continues to be reviewed and assessed throughout the year by StanCOG.

Preliminary Environmental Study (PES) Workshop Held

StanCOG hosted a Preliminary Environmental Study (PES) workshop in April for staff from local member agencies. The workshop was presented by the Department of Transportation (Caltrans) in an effort to assist agencies with National Environmental Policy Act (NEPA) compliance for federal aid transportation projects off the State Highway System.

The various techniques for scoping potential environmental impacts were explained, and step-by-step guidance on how to complete the PES form was provided by Haiyan Zhang from Caltrans Headquarters in Sacramento. Staff from member agencies in the Stanislaus region attended the workshop and were able to learn more about PES and NEPA.

Bike to Work Day

Stanislaus County Bike to Work Day was celebrated on Thursday, May 17th in downtown Modesto. The annual event was held to promote bicycling to work as a way to reduce congested roadways and improve air quality while also contributing to the rider’s well-being. Over 200 participants enjoyed the fun and prizes (as shown at right).

A Family Cycling Festival was also held in Modesto on Saturday, May 19th. Cycling entertainment was provided by the Perfection on Wheels Bicycle Stunt Team from Southern California, and bicyclists were provided the opportunity to license their bikes for free, participate in bike races, and ride with no traffic on I Street. Children were given the opportunity to participate in activities, free helmets were fitted and provided, and a drawing was held to win a free bicycle. It was a day of action-packed fun and cycling in downtown Modesto!
Regional Transportation Plan (RTP)

Sustainable Communities Strategy (SCS) Update

Public Presentations

StanCOG continued its efforts over the last few months to inform the public about the development of the first Sustainable Communities Strategy (SCS) for the Stanislaus region. Legislation now requires that an SCS be a component of all future Regional Transportation Plans (RTPs), the 25-year vision for transportation improvements and investments for the region which is prepared by StanCOG every four years. The next RTP, to be adopted in 2013, will incorporate an SCS, addressing ways to reduce automobile greenhouse gas (GHG) emissions by integrating transportation and land use planning.

Presentations were recently provided to the Ceres Rotary Club, the Stanislaus Economic Development and Workforce Alliance, and the Modesto Chamber of Commerce where the discussions were both informative and insightful. StanCOG welcomes the opportunity to attend the next meeting of your club or organization and discuss these important topics regarding the future of our community! To schedule a presentation, please contact Jaylen French at 209-525-4600.

SR-99 Construction Begins!

You may have noticed that work is underway on the $90.2 million State Route 99 (SR-99) Resurfacing and Restoration Project! The California Department of Transportation (Caltrans) is replacing approximately 25 miles of existing pavement on SR-99 in Stanislaus County from the San Joaquin County line to the Merced County line. The project, funded by the State Highway Operation and Protection Program (SHOPP), began in April.

To assist your SR-99 trip plans, visit www.stancog.org where weekly traffic advisories and construction updates on this project are posted.

Get Involved!

StanCOG invites you to participate in the Citizens Advisory Committee (CAC). Residents are sought from the cities of Newman, Oakdale and Turlock for current openings on the CAC. The Committee meets on the first Wednesday of each month at StanCOG at 6 pm. Members of the CAC review, discuss and make recommendations to the Policy Board on the development of transportation plans and programs overseen by StanCOG.

Visit www.stancog.org/cac-committee.shtm for more information.

SUBJECT: Meeting Schedule for Calendar Year 2013

Background

The Policy Board approved the attached Policy Board and Advisory Committee Meeting Schedule for Calendar Year 2013.

The Policy Board and Executive Committee have regularly scheduled public meetings dates and times on the third Wednesday of the month. The Advisory Committees have regularly scheduled public meeting dates and times two weeks prior to the Policy Board meeting, during the first week of the month. All meetings are held at the StanCOG Board Room. Regularly scheduled public committee meetings include:

- Social Services Transportation Advisory Council (SSTAC) 1st Tues. @ 8:30 am
- Sustainable Communities Strategy Steering Committee (SCS) 1st Tues. @ 1:00 pm
- Citizens Advisory Committee (CAC) 1st Wed. @ 6:00 pm
- Management and Finance Committee (M&F) 1st Thurs. @ 3:00 pm
- Bicycle/Pedestrian Advisory Committee (BPAC) 1st Tues. @ 5:30 pm bi-monthly

Discussion

The 2012 meeting schedule has worked out well with good attendance at Policy Board and Committee meetings so the same format has been used to set the schedule for 2013 (see attached chart). There are several exceptions as noted due to holidays. No meetings will be held in July.
