Adopt new BPAC Flyer for distribution

**Background**

The original BPAC Flyer was developed in conjunction with a “Prize” inducement to encourage participation in the Survey. Since the “Prize” component is no longer applicable to information that the BPAC distributes throughout Stanislaus County, a new Flyer has been designed to encourage participation in the StanCOG website survey.

**Discussion**

Determine if the new Flyer meets the BPAC needs

StanCOG is the Stanislaus Region's Transportation Planning Agency. It is an association of city and county governments created to address regional transportation issues related to:

Highways	Rail	Public Transit

Streets	Roads	

StanCOG was established in 1971 through a Joint Powers Agreement (JPA) between our Member Agencies:

StanCOG is responsible for developing and updating a variety of transportation plans and for allocating the Federal and State funds to implement them.

One of the primary responsibilities of StanCOG is to create and implement the Regional Transportation Plan (RTP). The RTP is a 25-year Master Plan that serves a blueprint for all transportation improvement projects in the Region.
