Subject: Approval of Administrative Modification #9 (Type 1 Amendment) to the Stanislaus Council of Government's 2017 FTIP

Dear Mr. Aljabiry:

On November 10, 2011, with the acknowledgement of the StanCOG Policy Board, the California Department of Transportation (Caltrans) delegated to the StanCOG Executive Director the authority to approve Administrative Modifications to the Federal Statewide Transportation Improvement Program (FSTIP)/Federal Transportation Improvement Program (FTIP). This delegated authority is in accordance with the revised FSTIP/FTIP Amendments and Administrative Modification Procedures dated June 3, 2011.

Policy Board Chair

Bill Zoslocki

The Stanislaus Council of Governments (StanCOG) Executive Director has completed the review of StanCOG's Administrative Modification #9 to the 2016/17-2019/20 Federal Transportation Improvement Program (FTIP). This administrative modification does not affect programming capacity that relies on the State's federal programming capacity.

Policy Board Vice-Chair

Gary Soiseth

The Executive Director finds that these proposed changes are consistent with the FSTIP/FTIP Amendment and Administrative Modification Procedures and approves these changes. The administrative modification is described in the attachments listed below.

Executive Director

Rosa De León Park

Under this delegated authority, an administrative modification does not require Federal Highway Administration, Federal Transit Administration or Caltrans approval. This change is effective immediately, upon StanCOG's approval and is reflected as an administrative modification to California's 2017 FSTIP and StanCOG's 2017 FTIP per the date of this letter.

Please address any questions on this administrative modification to Debbie Trujillo, Planning Technician, by phone at (209) 525-4639.

Sincerely,

Rosa De León Park
Executive Director
