

**The Stanislaus Council of Governments Invites Applications for the Position of
ASSOCIATE/SENIOR TRANSPORTATION PLANNER**

Annual Salary Range: Associate \$63,000-\$82,600; Senior \$74,700-\$104,000

Open Until Filled

This position performs professional planning duties related to the planning, programming and funding of transportation projects in the Stanislaus Region; represents StanCOG at a variety of policy and planning development meetings with state and federal agencies, local jurisdictions, and the public; ensures that projects are completed within established timelines and budget parameters; provides complex technical planning and research expertise to assist management in analysis of regional policy issues; performs special projects as assigned and related work as required. For Senior Planner, provides direct supervision, training and guidance to subordinate programming staff. The Associate Planner is distinguished from the Senior Planner by the level of skill, knowledge, education and experience. The starting salary and decision to offer the position at an Associate or Senior level will be made at the end of the recruitment process based on these considerations.

Essential Duties and Responsibilities: *Include, but are not limited to the following:*

- Develops and manages the Federal (FTIP), State (STIP) and Regional (RTIP) Transportation Improvement Programs. prepares amendments; interprets and explains regulations, procedures and guidance; researches, compiles, analyzes and summarizes information, prepares and maintains financial spreadsheets and establishes and maintains a complex and comprehensive database.
- Represents StanCOG in statewide and regional transportation funding meetings; conducts research and analysis regarding federal and state transportation funding legislation.
- Administers grant programs, assists staff, management and representatives from local jurisdictions in the research and development of applications for grant funding.
- Plans, coordinates and facilitates a variety of policy and planning committee and public participation meetings to present information, to promote programs and services, to stimulate discussion and/or facilitate consensus.
- For Senior Planner, plans, schedules, prioritizes and assigns planning projects and activities for the programming staff; communicates status of projects to executive management and works cooperatively to schedule activities according to established and specific operational priorities.

Minimum Qualifications: Any combination of education and experience that would provide the required knowledge and abilities is qualifying. A typical way to obtain the required knowledge and abilities would be:

Education and Experience:

Associate Planner:

- A Bachelor's Degree from an accredited college or university with a major in regional, urban or transportation planning, community development, public policy or a related field; and two years of professional regional, urban or transportation planning experience; OR
- A Master's Degree from an accredited college or university in majors listed above and one year of progressively responsible professional regional, urban or transportation planning experience.

Senior Planner:

- A Bachelor's Degree from an accredited college or university with a major in regional, urban or transportation planning, community development, public policy or a related field; and five years of public agency experience in urban, regional, transit or transportation planning; OR
- A Master's Degree from an accredited college or university in majors listed above and two years of progressively responsible professional regional, urban or transportation planning and project management experience.

Knowledge of:

Principles, practices of regional, urban and/or transportation planning and policy development; principles of effective project

management; local state and federal transportation funding mechanisms; effective public speaking and presentation techniques; modern office procedures, standard computer software systems and equipment.

Ability to:

Perform complex professional planning work with significant initiative and minimum supervision; establish and maintain effective working relationships with those contacted during performance of work duties and responsibilities; effectively organize, prioritize and coordinate multiple projects and tasks with successful completion under critical timelines; analyze and compile technical, financial and statistical information and prepare reports; communicate effectively, both verbally and in writing; analyze complex problems and identify logical solutions. For Senior Planner, assign, direct and evaluate the work of professional and technical planning staff.

Application and Review Procedure:

To be considered for this exciting opportunity, candidates should apply through CalOpps.org. Candidates can access the application at <https://www.calopps.org/ViewAgencyJob.cfm?ID=31861> or go to the Member Agencies tab, select Regional Government Services, then Associate/Senior Transportation Planner for Stanislaus Council of Governments (StanCOG).
