

Notice to Contractors and Prospective Applicants for the StanCOG Model Update (RFP)

This notice is to apprise all prospective contractors, prospective applicants and other concerned parties about the request for proposals (RFP) for the StanCOG Model Update. The RFP issued on September 10, 2009 has been suspended while a new RFP is being prepared.

A new RFP will be released on December 10, 2009 with an update to the scope of services and a contract amount of two-hundred and fifty thousand dollars (\$250,000). Proposals will be due at the StanCOG office by 5:00 pm on January 4, 2010. Consultant interviews are anticipated to be held on January 13th or 14th.

The transportation modeling questions and guidelines provided at the pre-proposal meeting in addition to other StanCOG Transportation Modeling information will be provided on StanCOG's website under Transportation Model.
