SUBJECT: Adopt Resolution 21-51 Making the Required AB 361 Findings for the Continuation of Teleconference Meetings for the StanCOG Policy Board and Executive Committee for the Period April 11, 2022 – May 11, 2022

Recommendation

By Motion:

Adopt Resolution 21-51 Making the Required AB 361 Findings for the Continuation of Teleconference Meetings for the StanCOG Policy Board and Executive Committee for the Period April 11, 2022 – May 11, 2022.

Background

On March 4, 2020, Governor Gavin Newsom issued a Proclamation of a State of Emergency in response to the outbreak of COVID-19, which remains in effect. Throughout the State of Emergency, the Governor issued a series of Executive Orders to reduce the spread of COVID-19.

On March 12, 2020, the Governor issued Executive Order N-25-20 waiving certain requirements of the Ralph M. Brown Act (Brown Act) making it easier for local agencies to hold public meetings via teleconference. On March 17, 2020, the Governor issued Executive Order N-29-20 which superseded a portion of Executive Order N-25-20 and identified the ability of local agencies to continue with teleconferenced meetings provided certain requirements for public participation were met. On June 11, 2021, the Governor issued Executive Order N-08-21 which continued the waiver of the teleconference provisions in the Brown Act through September 30, 2021.

With the expiration of the Executive Orders, the Legislature introduced Assembly Bill 361 (AB 361), which allows the continued use of teleconferencing if specific requirements are met. On September 16, 2021, the Governor signed AB 361 into law. AB 361 amends section 54953 of the Brown Act and allows a local agency to use teleconferencing without complying with certain provisions of the Brown Act under certain circumstances and if certain findings are made.

Discussion

AB 361 amends Section 54953 of the Government Code to allow a legislative body of a local agency to meet remotely without complying with the teleconference requirements imposed by the Brown Act such as agenda posting at teleconference locations, physical location access by the public, or establishing a quorum within the boundaries of the agency. The agency may do so if one of three scenarios exists, all of which requires the Governor has proclaimed a State of Emergency pursuant to Government Code section 8625:

- (A) State or local officials have imposed or recommended measures to promote social distancing;
- (B) The legislative body is holding a meeting for the purpose of determining, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees;
- (C) The legislative body is holding a meeting and has determined, that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

Any boards and committees that are required to comply with the Brown Act that holds a meeting under any of the scenarios identified above must continue to post an agenda within the time periods required by the Brown Act and ensure the public is able to address the board or committee directly through teleconference means. If a technological disruption prevents the board or committee from broadcasting the meeting or receiving public comments in real time, the board or committee cannot take further action until the technological function is restored.

If the proclaimed State of Emergency remains in effect, and if any boards or committee wish to continue meeting under the modified rules, then the board and/or committees must adopt a resolution containing the following findings: (1) the State of Emergency continues to directly impact the ability of the members to meet safely in person; or (2) state or local officials continue to impose or recommend measures to promote social distancing. The board and/or committees must reconsider and reconfirm the findings every thirty (30) days.

If consecutive regular meetings fall outside the 30-day window, the board and/or committees should hold a special meeting to re-authorize the AB 361 findings. If the board and/or committees does not adopt a resolution making the findings required under AB 361, or if the authorization lapses, it will be required to comply with the traditional teleconference rules contained in the Brown Act. In that scenario, the board and/or committees will be required to post an agenda at each teleconference location, teleconference locations will need to be identified on the agenda and accessible to the public, and a quorum of the board and/or committee will need to be established within the boundaries of the agency.

Should you have any questions regarding this staff report, please contact Monica J. Streeter, General Counsel, at 209-525-4600 or via e-mail at mstreeter@stancog.org.

1. Resolution 21-51

**STANISLAUS COUNCIL OF GOVERNMENTS
RESOLUTION 21-51**

**RESOLUTION OF THE STANISLAUS COUNCIL OF GOVERNMENTS MAKING
THE REQUIRED AB 361 FINDINGS FOR THE CONTINUATION OF
TELECONFERENCE MEETINGS FOR THE POLICY BOARD AND
EXECUTIVE COMMITTEE FOR THE PERIOD APRIL 11, 2022 – MAY 11, 2022**

WHEREAS, the Stanislaus Council of Governments (StanCOG) is the Regional Transportation Planning Agency (RTPA) and Metropolitan Planning Organization (MPO) for the Stanislaus region, pursuant to State and Federal designation; and

WHEREAS, all meetings of StanCOG’s legislative bodies are open and public as required by the Ralph M. Brown Act (Government Code §§ 54950 – 54963)(Brown Act) so members of the public may observe, attend, and participate as the StanCOG legislative bodies conduct their business; and

WHEREAS, section 54953(e) of the Brown Act, as amended by AB 361, allows legislative bodies to conduct meetings using teleconferencing without compliance with the provisions of Government Code section 54953(b)(3), subject to certain circumstances and the making of various findings; and

WHEREAS, in order to comply with AB 361, any of the following circumstances must exist: (a) there must be a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing; (b) the legislative body has determined, by majority vote, that as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; and

WHEREAS, on March 4, 2020, the Governor issued a Proclamation of a State of Emergency in response to the outbreak of COVID-19 and the state of emergency remains in effect; and

WHEREAS, Cal/OSHA adopted emergency regulations, including section 3205, identifying physical distancing, face coverings, increased ventilation and respiratory protection decrease the spread of COVID-19 but are most effective when used in combination; and

WHEREAS, the California Department of Public Health and the Centers for Disease Control and Prevention (CDC), recommend that all individuals, regardless of vaccination status, wear face coverings in indoor public settings; and

WHEREAS, an Order of the Health Officer of Stanislaus County acknowledges that close contact to other persons increases the risk of transmission of COVID-19; and

WHEREAS, the CDC has identified the dominant strains of COVID-19 in the country are more infectious and more transmissible when compared with other COVID-19 variants, may cause more severe illness, and fully vaccinated individuals can spread the virus to others resulting in an alarming increase in the rates of COVID-19 cases and hospitalizations, thereby presenting an imminent risk to the health or safety of attendees of meetings of StanCOG legislative bodies.

NOW, THEREFORE BE IT RESOLVED, THE STANCOG POLICY BOARD DOES HEREBY RESOLVE AND FIND AS FOLLOWS:

1. Recitals. The Recitals set forth above are true and correct and are incorporated into this Resolution as if set forth in full herein.
2. State of Emergency. Pursuant to the Governor’s Proclamation of a State of Emergency, issued March 4, 2020, there is a proclaimed state of emergency in the State of California.
3. State or Local Measures. The Centers for Disease Control and Prevention, the California Department of Public Health, Cal/OSHA, and the Health Officer of Stanislaus County have recommended or imposed measures to promote social distancing and other measures to reduce the transmission of COVID-19.
4. Finding of Imminent Risk to the Health or Safety of Attendees. The dominant strains of COVID-19 in the country are more infectious and more transmissible than prior variants of the virus, may cause more severe illness, and even fully vaccinated individuals can spread the virus to others resulting in a rapid and alarming increase in the rates of COVID-19 cases and hospitalizations which will continue to cause conditions of peril to the safety of persons, thereby presenting an imminent risk to the health and/or safety of members of the StanCOG legislative bodies, StanCOG employees and attendees of StanCOG’s public meetings.
5. Teleconference Meetings. Due to the proclaimed State of Emergency and the state and local recommended measures to promote social distancing, the StanCOG Policy Board and Executive Committee finds it may conduct its meetings, whether regular or special, without complying with Government Code section 54953(b)(3), as authorized by Government Code section 54953(e)(1) and shall comply with the requirements to provide public access to the meetings as set forth in Government Code section 54953(e)(2).
6. Implementation of Resolution. The Executive Director and StanCOG staff are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution, including, conducting open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act. The Policy Board and Executive Committee will reconsider the circumstances of the state of emergency and the related findings every thirty (30) days.

PASSED AND APPROVED this 11th day of April 2022. A motion was made and seconded to adopt the foregoing Resolution. Motion carried and the Resolution was adopted.
